E (100Hurts Remix)

Emmure

Get upYeah I know you're fucking feelin' me now
And if you're with me standing out in the crowd
BounceIf you got my fucking back then just say (hell yeah)
You're down with me and my team (hell yeah)
You're fucking sick of the scene (hell yeah)
'Cause nothing is what it seemsLet's get to the pointYou know it, you know it, you know it, you know it
You know it all, you know it all
Turns out you know nothing at allYou want it, you want it, you want it, you want it
You want it all, you want it all
But you cannot get what you wantTonight, I wanna see you moving from side to side
From the front to the back
If you're with me, then where the fuck are you at?Nothing is what it seems
Nothing is what it seemsWhat?If you got my fucking back then just say (hell yeah)
You're down with me and my team (hell yeah)
You're fucking sick of the scene (hell yeah)
cuz nothing is what it seemsAnd if you're keeping it real then I'm keeping it real
So if you're with me, then where the fuck are you at?
