Wolf

Sylvan Esso

The modern wolf, he's kinder
But seeing we, it's a reminder
Don't wear no suits, we're talking t-shirts
See how he glides, makes women shiverAhoo, AhooHe ain't no Jack, his voice is smoother
Been bending notes, just like his fatherAhoo, AhooBut no birds or beast does he eat
He only wants the tenderest meat
And all the sounds he makes em speak
Under all different patterns of sheets.Colors blind, oh, dopamine.
And she looked so good when they were last seenAhoo, AhooThe modern wolf, the modern wolf
Drippin' in all the lives that he took
He's going home, try to wash them off
But when he shaves, he hears them callAhoo, Ahoo
