

# Lightness

## Digid

There's a tear in the fabric of your favorite dress  
And I'm sneaking glances.  
Looking for the patterns in static  
They start to make sense the longer I'm at it.[Chorus]  
Ivory lines lead Your heart is a river that flows from your chest  
Through every organ  
Your brain is the dam  
And I am the fish who can't reach the core.[Chorus] Oh, instincts are misleading  
You shouldn't think what you're feeling  
They don't tell you what you know you should want.[Chorus: x2] Oh, instincts are misleading  
You shouldn't think what you're feeling  
They don't tell you what you know you should want.[Chorus: x2]
