

# Rainin' In My Heart

**Neil Young**

Rainin' in my heart  
Since we've been apart  
I know, I was wrong  
Baby, please come home You got me cryin'  
'Bout to lose my mind  
Don't let me cry in vain  
Try my love just once again Honey, I need your love  
Darlin', you know why  
If you would come back home  
There'll be no need for me to cry Rainin' in my heart  
Since we've been apart  
I know, I was wrong  
Baby, please come home
