My Guitar Wants to Kill Your Mama

Frank Zappa

You know your mama and your daddy Sayin I'm no good for you They call me dirty from the alley Til I don't know what to doI get so tired of sneakin around Just to get to your back door I crawled past the garbage And your mama jumps out screamin' Dont come back no more!I cant take it My guitar wants to kill your mama My guitar wants to kill your mama My guitar wants to burn your dad I get real mean when it makes me madLater I tried to call you Your mama told me you werent there (you just weren't there) She told me don't bother to call again Unless I cut off all my hairI get so tired of sneakin' around Just to get to your back door I crawled past the garbage And your mama jumped out screamin' Dont come back no more!I cant take it My guitar wants to kill your mama My guitar wants to kill your mama My guitar wants to burn your dad I get real mean when it makes me mad (repeat last three verses)
