

Daybreak

MariÃ© Digby

If these walls could talk
They'd whisper, "Just hold on"
Don't let this sunshine it feels great
If we lose the night, it might not be the same
Not the same, oh

You look in my eyes and tell me things won't change
Then I feel safe letting you go

I don't wanna move
Don't let go of this moment
I don't wanna close my eyes
Don't wanna miss a thing
I don't wanna know if this is tonight
Only stop time, stop daylight
'Cause when day breaks
It might all be over

When day, when day, when day breaks
It might all be over
When day, when day, when day breaks

Trace my skin
Hold out your hands
And let me in
The truth is coming through those blinds
I'm afraid the truth might be unkind
So unkind, oh

You look in my eyes and tell me things won't change
And I feel safe letting you go

I don't wanna move
Don't let go of this moment
I don't wanna close my eyes
Don't wanna miss a thing
I don't wanna know this is tonight
Only stop time, stop daylight
'Cause when day breaks

It might all be over
When day, when day, when day breaks
It might all be over
When day, when day, when day breaks

Don't let the break of day
Change the way we feel tonight
Tonight, tonight, tonight (Ooh)

I don't wanna move
Don't let go of this moment
I don't wanna close my eyes
Don't wanna miss a thing
I don't wanna know if this is tonight
Only stop time, stop daylight
'Cause when day breaks
It might all be over

I don't wanna move,
Don't wanna let go of this moment
I don't wanna close my eyes
Don't wanna miss a thing
I don't wanna know if this is tonight
Only stop time, stop daylight
Cause when day breaks
It might all be over

When day, when day, when day breaks
It might all be over
When day, when day, when day breaks
