Jumpin` Jive

Joe Jackson

Boys, what you gonna say down there?
Oh boys, what you gonna say down there?
Palamar, Shalamar, Swanny Shore
Let me dig that jive once moreBoys, take it right on down to the gator
Oh boys, gotta take a side elevator
Can't you hear those hip cats call?
Come on boys, let's have a ballThe jip-jam-jump is a jumpin' jive
Makes you dig your jive on the mellow side
The jip-jam-jump is a solid jive
Makes you nine foot tall when you're four foot fiveNow, don't you be that ickeroo
Get hip, come on and follow do
When you get your steady fool
You met your jump like the gators doThe jip-jam-jump is a jumpin' jive
Makes you like your eggs on the Jersey side
The jip-jam-jumpin' jive
Makes you hip hip on the mellow sideThe jip-jam-jump is a solid jive
Makes you nine foot tall when you're four foot five
The jip-jam-jumpin' jive
Makes you hip hip on the mellow sideNow, don't you be that ickeroo
Get hip, come on and follow do
When you get your steady fool
You met your jump like the gators doThe jip-jam-jump is a jumpin' jive
Makes you like your eggs on the Jersey side
The jip-jam-jumpin' jive
Makes you hip hip on the mellow sideSkibbel-de-doo, skibbel-de-de, going, going, going da da
Now I told you 'bout the jumpin' jive
Jip-jam-jum the jumpin' jive
I know you dug this mellow jive
'Cause you dig it on the mellow side
