

# The Pit

## DiverSified

Im marching through the branches in a fit of wanderlust  
To see you in a black hole reaching out for something just  
Silhouettes of neighbors dancing in disgustIm sure you recognize my noise and you heard about the pit  
Been told to be afraid of everything that lives with it  
But its much worse where you are  
So will you go for it?I have a feeling you might  
Feeling you mightSomebody somewhere  
Will clean out your wounds  
With dirty fingers  
Well bury the lieSomebody somewhere  
Will clean out your wounds  
Well bury the lie  
Well bury the lieNow we tumble down a hill to a fire with a crowd  
The flicker becomes thicker as we bottom out  
The residents dont even notice the sudden shoutsWhen your eyes can adjust and you see whats in view  
Discolored and distempered smiles that seen you  
Do you realize we were all once like you?I have a feeling you might  
Feeling you mightSomebody somewhere  
Will clean out your wounds  
With dirty fingers  
Well bury the lieSomebody somewhere  
Will clean out your wounds  
Well bury the lie  
Bury the lieNo, no  
No one comes  
Where no one goesNo, no  
No one comes  
Where no one goesYou recognize my noise and you heard about the pit  
Been told to be afraid of everything that comes within  
We can talk about it later, but I think youve given in  
We can talk about it later, but I think youve given inI had a feeling you might  
Bury the lie
