

The Bell That Couldn't Jingle (Single Version)

Burt Bacharach

Then Santa said
"Jack Frost will bring my Christmas gift to you
And on Christmas Eve, you'll jingle
Just like you were brand new"
A Christmas bell was cryin' and Santa heard it say
I just can't seem to jingle and I can't go on the sleigh
Then Santa soon discovered the reason that it cried
The bell that couldn't jingle, it had nothin' there inside
Then Santa said
"Jack Frost will bring my Christmas gift to you
And on Christmas Eve, you'll jingle
Just like you were brand new"
Then Jack Frost froze a teardrop
So each time that it swayed
The bell that couldn't jingle, it went jingling all the way
The bell that couldn't jingle, it went jingling all the way
Then Santa said
"Jack Frost will bring my Christmas gift to you
And on Christmas Eve, you'll jingle
Just like you were brand new"
Then Jack Frost froze a teardrop
So each time that it swayed
The bell that couldn't jingle, it went jingling all the way
The bell that couldn't jingle, it went jingling all the way
It went jingling all the way, it went jingling all the way
