

Cute, Without The E

Taking Back Sunday

Your lipstick, his collar don't bother Angel
I know exactly what goes on When everything you'll get is
Everything that you've wanted, princess
well which would you prefer
My finger on the trigger, or
(Meet face down, down across your floor)
My face down, down across your floor
(Meet face down, down across your floor)
Well just so long as this thing is loaded And will you tell all your friends
You've got your gun to my head
This all was only wishful thinkin',
This all was only wishful thinkin' And will you tell all your friends
You've got your gun to my head
This all was only wishful thinkin'
This all was only wishful thinkin'
Let's go Don't bother trying to explain Angel
I know exactly what goes on when you're on and
How about I'm outside of your window
How about I'm outside of your window
Watchin' him keep the details covered
You're such a sucker for a sweet talker, yeah And will you tell all your friends
You've got your gun to my head
This all was only wishful thinkin'
This all was only wishful thinkin' And will you tell all your friends
You've got your gun to my head
This all was only wishful thinkin'
This all was only wishful thinkin' Hoping for the best just hoping nothing happens
A thousand clever lines unread on clever napkins
I will never ask if you don't ever tell me
I know you well enough to know you never loved me Hoping for the best just hoping nothing happens
A thousand clever lines unread on clever napkins
I will never ask if you don't ever tell me
I know you well enough to know Why can't I feel anything
From anyone other than you? And all of this was all your fault
And all of this I stay wrecked and jealous for this,
For this simple reason
I just need to keep you in mind
As something larger than life I stay wrecked and jealous for this,
For this simple reason is true

I just need to keep you in mind
As something larger than life I stay wrecked and jealous for this,
For this simple reason is true
I just need to keep you in mind
As something larger than life
