

Don't Take Her She's All I Got

Tracy Byrd

Well, I said, friend
Don't take her, she's all I've got
Please don't take her love away from me
Now, I'm begging you, friend
Don't take her, she's all I've got
She's everything in life I'll ever need She is life when I want to live
She's everything to me in life that life can give
She's my water when I need a drink
And she's the first thought in my mind
Each time I try to think Let me tell you now, friend
Don't take her, she's all I've got
Please don't take her love away from me
I'm begging you, friend
Don't take her, she's all I've got
She's everything in life I'll ever need She's my fingers when I want to feel
She's the only thing in life to me that's really real
She is love, she's all the love I know
She could kiss the ground in the wintertime
And make a flower grow Let me tell you now, friend
Don't take her, she's all I've got
Please don't take her love away from me
I'm begging you, friend
Don't take her, she's all I've got
She's everything in life I'll ever need Let me tell you now, friend
Don't take her, she's all I've got
Well, I said, friend
Don't take her, she's all I've got
I'm begging you, friend
Don't take her, she's all I've got
