

Devil May Care

R. Scott

Iâ€™m the devil in disguise
Let me in and Iâ€™ll chap your hide
Weâ€™ll cross sticks make the fire inside

Just to feel alive

Iâ€™m burning up even when itâ€™s cold
My bodyâ€™s young but my mind is old
Iâ€™ll rip you open then Iâ€™ll take your soul

So not to be aloneâ€¦

Sign on the dotted line
Name, print and the time
Voices racing in your mind

Do you feel alive?
Do you feel alive??
DO YOU FEEL ALIVE???
