

# Near You

[Andy Williams](#)

There's just one place for me near you  
It's like heaven to be near you  
Times when we're apart I can't face my heart  
Say you'll never stray more than just two lips away If my hours could be spent near you  
I'd be more than content near you  
Make my life worthwhile by telling me that  
I'll spend the rest of my days near you There is just one place for me  
I'm happy when I'm near you  
It's wonderful as heaven, a special kind of heaven  
But only when I'm near you Times when we're apart I wonder how I can face my heart  
Say you'll never stray more than just two lips away
