

# Renew Me

## Avalon

Why am I such a dusty window  
For your light to shine through?  
Why am I just a tiny star  
In a sky already blue?  
Why do I offer everything  
With my heart closed like a fist?  
I want to love You better than this  
Why do I live like I'm in chains  
When You have set me free?  
And why do I have to break Your heart  
Before I fall to my knees?  
I know it's time to pray for change  
Give all I have to give  
I want to love You better than this  
So renew me  
Remake me  
Undo me  
Unbreak me  
Come into the empty spaces  
Of my broken places  
And consume me  
Complete me  
Pursue me  
Redeem me  
Let Your Holy Spirit living through me  
Renew me  
I need Your power to renew me, Lord, yeah  
I need to know You're moving through me, Lord  
I need You as my refuge  
My first and last resort  
Be the river always running  
Through my deepest thoughts  
Keep me in Your arms  
'Cause even when I drift  
I want to love You better than this  
So renew me  
Remake me  
Undo me  
Unbreak me  
Come into the empty spaces  
Of my broken places  
And consume me  
Complete me  
Pursue me

Redeem me  
Let Your Holy Spirit living through me  
Renew me My life bending to Your will  
Seeking You until I'm more and more like You
