

# Thank You For Being a Friend

## Rachel Platten

[Pre-Chorus]

If you threw the party  
And invited everyone you knew  
You would see the biggest gift with love from me  
And the card attached would say  
Thank you for being a friend [Verse 1]  
I count on you and you count on me  
It's as easy as one, two, three  
Our love connected eternally  
Love dancing around by the fire light  
Catch the stars falling from the sky  
Tell your secrets and I tell you mine

[Refrain]

Out of seven billion people in the world  
Can't believe that I found you  
I know you got my back and I got yours  
Call on me, And I'll remind you  
(That you're the best) [Pre-Chorus]  
If you threw the party  
And invited everyone you knew  
You would see the biggest gift with love from me  
And the card attached would say  
Thank you for being a friend [Chorus]  
(A friend, A friend)  
Thank you for being a friend  
(A friend, A friend)  
Thank you for being a friend

[Verse 2]

You understand without saying a word  
Larger scope but you put me first  
And how may I reach to what I deserve [Refrain]  
Out of seven billion people in the world  
Can't believe that I found you  
And just in case you're feeling insecure  
Call on me, And I'll remind you  
I will remind you [Pre-Chorus]  
If you threw the party  
And invited everyone you knew  
You would see the biggest gift with love from me

And the card attached would say  
Thank you for being a friend[Chorus]  
(A friend, A friend)  
Thank you for being a friend  
(A friend, A friend, A friend)  
Thank you for being a friend[Bridge]  
Someone call anyone over  
They tell you the same thing I told ya  
We'll always be shoulder to shoulder  
I gotcha, I gotcha  
Someone call anyone over  
They tell you the same thing I told ya  
We'll always be shoulder to shoulder  
I gotcha, I gotcha[Pre-Chorus]  
If you threw the party  
And invited everyone you knew  
You would see the biggest gift with eve from me  
And the card attached would say  
Thank you for being a friend[Chorus]  
(A friend, A friend)  
Thank you for being a friend  
Thank you, thank you  
Thank you, thank you (A friend)  
Thank you, thank you  
Thank you, thank you (A friend)  
Thank you for being a friend
