

# No Holding Back

Rod Stewart

A friend of mine called up, said, "I finally had some luck  
Could I have a minute of your time?  
I met a girl last night and try as I might  
I can't get her off my mind  
She walked through the room and right then I knew  
I'd finally found somebody for me  
But to tell you the truth I don't know what to do  
Should I go ahead or wait and see?" I said "Give it all you got, no holdin' back  
Let a light in your soul  
Ain't it better to lose in love than to never love at all  
Than to never love at all?" Now I'm the kind of guy who's normally quite shy  
On romance I don't know a thing  
But when she led me to the floor, I'd never danced before  
Suddenly my feet had wings  
I know that she wants me, I want her too  
But I'm so confused I can't think straight  
I feel so alive but on the other side  
Should I go ahead or should I wait? I said "Give it all you got no holdin' back  
Let a light in your soul  
Ain't it better to lose in love than to never love at all?  
Ain't it better to lose in love than to never love at all?" So when the music starts to flow from your hearts  
Like the comin' of an early spring  
When the river starts to flow between your soul to soul  
May no man ever come between  
Die in her arms if she wants you to  
Be thankful for each passin' day  
When your eyes collide let your spirits fly  
And pray to God it's here to stay I said "Give it all you got no holdin' back  
Let a light in your soul  
Ain't it better to lose in love than to never love at all?" Give it all you got, no holdin' back  
Let a light in your soul  
Ain't it better to lose in love than to never love at all?  
Than to never love at all  
Than to never, never love at all  
Ain't it better to lose in love than never love at all?
