

# Africa

## Rarotango

Africa is my descent  
And here I am far from home  
I dwell within a land that is meant  
For many men not my tone, yeah  
The blood of God is my defense  
    Let it drop down to my seed  
    Showers to your innocence  
    To protect you for all eternity  
And with this wood I beat this drum  
    And we won't see defeat  
    From kings to queens  
    Becomes a prince  
    Knowledge and wisdom  
Is understanding what we need  
    (And this day will come)  
    Ever since the day you came  
My whole world began to change  
I knew then to dedicate my life  
    For your own  
    (And this day will come)  
    Everyday I see you grow  
And remember what you already know  
    I receive, I receive the love  
    That radiates from your glow  
From which you came was love  
And that's how it all should be  
    You and my soul are I  
Through all the time and history, yeah  
    (And past)  
    Thank you, thank you
