Epitaph

GEMS

Ohhh
You are rain on the waves
Stars in the sky
A Cali cold day
You are delicate lines
The wind in my hair
The knot in my spineI live a little, I don't care
I lie a little, I don't care
Cry a little, I don't care
I die alone, I don't careYou are the thorn in my side
You're taking your aim
You're taking your time
You are the light on the stairs
Save your breath
Save your prayers
I live a little, I don't care
I lie a little, I don't care
Cry a little, I don't care
I die alone, I don't careI love a little
I cry a little
I love a little
I cry a little
I love a little
I cry a little
I love a little
I cry a little
I love a little
I cry a little
I live a little, I don't care
I lie a little, I don't care
Cry a little, I don't care
I die alone, I don't care
