## **Ravishing Matt Ruth**

## **Chiodos**

This melody never seemed quite right Nothing you could ever sing along to Eerie rhythms creeping through doors

If I close my eyes you won't ever see meCount to ten you will never see me

You won't ever see me

Hide in sanction

I'll show you how I bury myself tonightThis fear runs through my veins

Run, run as fast as you can

Never look behind, never turn around

Run, run till I find who I amNever look behind, never turn around

As I fall face down, I was young

And now I still remember

I still remember everything

And all the pain you causedI'm living in this misery, resisting evil thoughts

This is what's been haunting me

Beaten tossed around blatantly

I scream out loud, I can't scream any louder
