

Blueskymagic

The Black League

[Luttinen, Valanne, Jarva et al.]Clean your SPIRIT.It's gonna clean your SOUL.
When that BLUESKYMAGIC makes you WHOLE.
Again! And again! And AGAIN!Now everything's ALRIGHT.
It's kinda nice SURPRISE
When I CRAWL OUT of my lair
And have a DEEP BREATH of that MORNING AIRClean your SPIRIT.It's gonna clean your SOUL.
When that BLUESKYMAGIC makes you WHOLE.Sometimes I feel so ALIVE! (magic)
Like I could KISS the SKIES UP HIGH! (magic)
But when I step OUT of the CLOUDS! (magic)
The DREAM is GONE; I am EARTH-BOUNDI could almost believe in a MIRACLE.
Just if I wasn't so goddamn CYNICAL
I could lay my TRUST on TOMORROW
ALL of this and MORE if I didn't know better!
(but I do!)Clean your SPIRIT.It's gonna clean your SOUL.
When that BLUESKYMAGIC makes you WHOLE.Sometimes I feel so ALIVE! (magic)
Like I could KISS the SKIES UP HIGH! (magic)
But when I step OUT of the CLOUDS! (magic)
The DREAM is GONE; I am EARTH-BOUND[Lead - AR]Feel the GRASS growin' 'neath my feet
Great planes of GREEN as far as I can see
Fill my lungs with the SUMMER BREEZE
And dip my tired body in the DEEP BLUE SEA
Yeah, I know that it's JUST a DREAM
But it's the BEST fuckin' thing that I've EVER seen!Sometimes I feel so ALIVE! (magic)
But the DREAM is gone
All gone all GONE!BlueSkyMagic.
BlueSkyMagic.
BlueSkyMagic.
BlueSkyMagic.
BlueSkyMagic.
BlueSkyMagic.
