Bad

U2

If you twist and turn away
If you tear yourself in two again
If I could, yes I would
If I could, I would
Let it go
Surrender
DislocateIf I could throw this lifeless lifeline to the wind
Leave this heart of clay
See you walk, walk away
Into the night
And through the rain
Into the half-light
And through the flameIf I could through myself
Set your spirit free, I'd lead your heart away
See you break, break away
Into the light
And to the dayOoh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
To let it go
And so to fade away
To let it go
And so, fade awayWide awake
I'm wide awake
Wide awake
I'm not sleeping
Oh, no, no, noIf you should ask then maybe they'd
Tell you what I would say
True colors fly in blue and black
Bruised silken sky and burning flag
Colors crash, collide in bloodshot eyesOoh, ooh, ooh, ooh, ooh, ooh
If I could, you know I would, if I could, I would
Let it goThis desperation
Dislocation
Separation, condemnation
Revelation in temptation
Isolation, desolation
Let it goAnd so fade away
To let it go
And so fade away

To let it go
Oh now, and so to fade awayI'm wide awake
I'm wide awake
Wide awake
I'm not sleeping
Oh, no, no, no
