

Cleansation

Chimaira

Go What do you expect from me?
Will I ever be who you want me to be?
Will I ever live up to your standards?
Will you always look down on me? Maybe I'm not who you are
Maybe I want to be myself
Live the life I've always dreamed about
This is not your path to choose Yes, I taste it, yes, I breathe it
Yes, I hate it, yes, I feel strain
From our separation But this is my life, this is my life
My cleansation, our separation
This is my life, this is my life
It's not yours anymore Why did you insist on ruling?
Why did you try and control?
Why didn't you ever listen to me?
Ignored me, like a dog Maybe I'm glad we're apart
Maybe I'm glad we don't speak
Anymore, I feel better now
Now that you are gone Yes, I taste it, yes, I breathe it
Yes, I hate it, yes, I feel strain
From our separation But this is my life, this is my life
My cleansation, our separation
This is my life, this is my life
It's not yours anymore Yes, yes, yes, yes, yes, yes
Yes, I taste it, yes, I breathe it
Yes, I hate it, yes, I feel strain
From our separation But this is my life, this is my life
My cleansation, our separation
This is my life, this is my life
It's not yours anymore This is my life, this is my life
This is my life
Now that you are gone
