## Do You Love Me?

## **Kiss**

You really like my limousine
You like the way the wheels roll
You like my seven inch leather heels
And goin' to all of the shows, butDo you love me, do you love me
really love me

You like the credit cards and private planes

Money can really take you far

You like the hotels and fancy clothes

And the sound of electric guitars, butDo you love me, do you love me

Do you love me, I mean like do you

Really love meYou really like rock 'n' roll

All of the fame and the masquerade

You like the concerts and studios

And all the money, honey, that I make, butDo you love me, do you love me Do you love me, really love meYour backstage pass and black sunglasses

Make you look just like a queen

Even the fans, they know your face

From all of the magazines, butDo you love me (do you love me)

Do you love me (do you love me)

Do you love me (do you love me)

Really love me (really love me)

I want to know

Do you love me (do you love me)

Do you love me (do you love me)

Do you love me (do you love me)

I mean like do you

Really love me (really love me)

I want to know

Do you love me (do you love me)

Do you love me (do you love me)

Do you love me (do you love me)

I mean like do you

Really love me (really love me)

I want you to (do you love me, do you love me)

I need you to (do you love me, do you love me)

And you know I'm so tired of everybody sayin' it

And you know, (do you love me, do you love me)

I just gotta know if you really really really, really love me

(Do you love me, do you love me)

So come on, do you love me (do you love me)

I need you to

Do you love me (do you love me) I want you to

Do you love me (do you love me) I need you

Really love me (do you love me)

I want to know

Do you love me (do you love me) do you, do you

Do you love me (do you love me)

Do you love me (do you love me) do you, do you

Do you love me (do you love me)

I just got to have some love (do you love me)

I just got to have some love (do you love me)

I just got to have some love, love, love, love, love
