Once A Day

Weld

When you found somebody new
I thought I never would forget you
More that I thought I never could
But times takin' all the pain away
Until now I'm down and hurting once a dayOnce a day all day long
And once at night from dusk till dawn
The only time I wish you weren't gone
Is once a day everyday all day longI'm so glad I'm not like a friend I knew one time
He lost the one he loved and slowly lost his mind
He sat around and cried his life away
Lucky me I'm only crying once a dayOnce a day all day long
And once at night from dusk till dawn
The only time I wish you weren't gone
Is once a day everyday all day longIs once a day everyday all day long
