

# Eighties

## Talal

Eighties, I'm living in the eighties  
Eighties, I have to push, I have to struggle  
Eighties, get out of my way, I'm not for sale no more  
Eighties, let's kamikaze till we get there And we sang  
You do it this way Eighties, by day we run by night we dance, we do  
Eighties, I'm in love with the coming race  
Eighties, I've got the best, I'll take all I can get  
Eighties, I'm living for the eighties Eighties, I'm living in the eighties, I push  
Eighties, I'm living  
Eighties, I'm living in the eighties, I struggle  
Eighties, I'm living Eighties, I'm living  
Eighties, I'm living in the eighties  
Eighties, I'm living in the eighties, I push  
Eighties, push, push, struggle Eighties, I'm living  
Eighties, eighties, I'm living  
Eighties, I'm living in the eighties, I push  
Eighties, push, push, struggle
