

Fox On the Run (Studio Demo)

The Sweet

I don't wanna know your name
'Cause you don't look the same
The way you did beforeOkay, you think you got a pretty face
But the rest of you is out of place
You looked all right beforeFox on the run
You scream and everybody comes a running
Take a run and hide yourself away
Foxy on the run, f-foxy
Fox on the run and hide awayYou, you talk about just every band
But the names you drop are second hand
I've heard it all beforeI don't wanna know your name
'Cause you don't look the same
The way you did beforeFox on the run
You scream and everybody comes a running
Take a run and hide yourself away
Foxy on the run, f-foxy
Fox on the run and hide awayF-foxy, fox on the run
You scream and everybody comes a running
Take a run and hide yourself away
Foxy on the run, f-foxy
Fox on the run and hide awayFox on the run
Fox on the run
Fox on the run
Fox on the run
