GREAT NIGHT (feat. Shovels & Rope)

NEEDTOBREATHE

My heart is beating and I'm under attack
Don't need it "sure" cuz I don't wanna go back
I'm giving in, there ain't no fight in this fight
I've got this fever fever burning inside
I've got this fever fever getting me highlet's have a great night, on the dance floor
I'll be the cowboy, on the "white" horse
And if we don't drown "we'll" swimming to shore
I'll be the first, in line to get us some moreI've got some money burning holes I'm my pants
And I've been wearing down the bones in my hands
I'm getting off and yeah I've got me some plans
I've got this fever fever burning inside
I've got this fever fever getting me highLet's have a Great Night(great night) on the dance floor
I'll be the Cowboy(cowboy), on the "white" horse
And if we don't drown "we'll" swimming to shore
I'll be the first, in line to get us some moreOoohhh All my rules need breaking
And I need time for wasting, before I lose my mind
Ooohhh Tonight we'll all be outlaws
Take-what-we-want-and-then "ride on"
Tonight we'll feel alive
Oh!I've got this fever fever burning inside
I've got this fever fever getting me high
I've got this fever fever burning inside
I've got this fever fever getting me highLet's have a great night(great night) on the dance floor
I'll be the cowboy(cowboy), on the "white" horse
And if we don't drown "we'll" swimming to shore
I'll be the first, in line to get us some moreLet's have a Great Night(great night) on the dance floor
I'll be the Cowboy(cowboy), on the "white" horse
And if we don't drown "we'll" swimming to shore,
I'll be the first, in line to get us some more
