Beautiful

Girl Authority

Don't let me fall again, into this same black hole
you saved me from my skin, now I am not alone
I don't know what to say, I don't know what to do
but when I come to you all I can say is
You're beautiful (4x)
Don't let me run away into this farewell
you brought me back to life, now I can breathe again
when all I want is you, but all you want is me
so here I come to you, just as me
