Rediscover You

Starfield

I need to just admit my faith is paper thin
I'm feeling so burned out on religion
I say an empty prayer, I sing a tired song
I need to just admit that the passion's gone
And I wanna get it back
You told me, look for You and I will find
So I'm here like I'm searching for the first time
Revive me, Jesus, make this cold heart start to move
Help me rediscover
I wanna learn to pray the way that David prayed
I want my soul to burn when I hear Your name
I wanna feel like new, I wanna hunger for You
Bring me back to life like only You can do
'Cause I don't wanna stay the same
You told me, look for You and I will find
So I'm here like I'm searching for the first time
Revive me, Jesus, make this cold heart start to move
Help me rediscover You
Lord, I wanna be Yours today
I wanna know the passion of the saints
And how they were changed
You told me, look for You and I will find
So I'm here like I'm searching for the first time
Revive me, Jesus, make this cold heart start to move
I wanna burn for You, bring me back to life
Jesus, help me rediscover You
