Amazing (Victoria's Secret Fashion Show 2007)

Seal

Everyone says you're amazingSay you don't know how to do it now
So you run
It's not that you're bleeding, but you're through with it now
So you run, so you runI know that you need it, you can't live alone
So you run, so you runEveryone says you're amazing now that you're clean
Only you know the real ones are cause you've seen
There's only one question I want to ask is it healing
When you hear everyone say you're amazing
Does anybody ask youDo you cry in your sleep and do you feel ok
When you runThinking it's Doomsday you got to let it go
So you run, so you runPretend you don't see it, that we can live a lie
So you run, so you runEveryone says you're amazing now that you're clean
Only you know the real ones are cause you've seen
There's only one question I want to ask is it healing
When, does anybody ask youCause I know that you're real, amazing, amazing, amazingEveryone says you're amazing now that you're clean
Only you know the real ones are cause you've seen
There's only one question I want to ask is it healing
When you.
Everyone says you're amazingEveryone says you're amazing
(I want you to always feel you're amazing)
Everyone says you're amazing
(I want you to always feel you're amazing)
Everyone says you're amazing
(I want you to always feel you're amazing)
(I want you to always feel you're amazing)You're amazing
