

Amazing (Victoria's Secret Fashion Show 2007)

Seal

Everyone says you're amazing Say you don't know how to do it now
So you run
It's not that you're bleeding, but you're through with it now
So you run, so you run I know that you need it, you can't live alone
So you run, so you run Everyone says you're amazing now that you're clean
Only you know the real ones are cause you've seen
There's only one question I want to ask is it healing
When you hear everyone say you're amazing
Does anybody ask you Do you cry in your sleep and do you feel ok
When you run Thinking it's Doomsday you got to let it go
So you run, so you run Pretend you don't see it, that we can live a lie
So you run, so you run Everyone says you're amazing now that you're clean
Only you know the real ones are cause you've seen
There's only one question I want to ask is it healing
When, does anybody ask you Cause I know that you're real, amazing, amazing, amazing Everyone says you're
amazing now that you're clean
Only you know the real ones are cause you've seen
There's only one question I want to ask is it healing
When you.
Everyone says you're amazing Everyone says you're amazing
(I want you to always feel you're amazing)
Everyone says you're amazing
(I want you to always feel you're amazing)
Everyone says you're amazing
(I want you to always feel you're amazing)
(I want you to always feel you're amazing) You're amazing
