

The Stairs

[INXS](#)

In a room above a busy street
The echoes of a life
The fragments and the accidents
Separated by incidents Listen to by the walls
We share the same spaces
Repeated in the corridors
Performing the same movements Story to story
Building to building
Street to street we pass each other Story to story
Building to building
Street to street we pass each other Listen to by the walls
We share the same spaces
Repeated in the corridors
Performing the same movements The nature of your tragedy
Is chained around your neck
Do you lead or are you lead
Are you sure that you don't care? There are reasons here to give your life
And follow in your way
The passion lives to keep your faith
Though all are different, all are great Climbing as we fall
We dare to hold on to our fate
And steal away our destiny
To catch ourselves with quiet grace Story to story
Building to building
Street to street
We pass each other on the stairs Listen to by the walls
We share the same spaces
Repeated in the corridors
Performing the same movements Story to story
Building to building
Street to street
We pass each other on the stairs
