

# Bliss (Art Vandelay Remix)

## Muse

Everything about you is how I'd want to be  
Your freedom comes naturally  
Everything about you resonates happiness  
Now I won't settle for lessGive me  
All the peace and joy in your mindEverything about you pains my envying  
Your soul can't hate anything  
Everything about you is so easy to love  
They're watching you from aboveGive me  
All the peace and joy in your mind  
I want the peace and joy in your mind  
Give me the peace and joy in your mindEverything about you resonates happiness  
Now I won't settle for lessGive me  
All the peace and joy in your mind  
I want the peace and joy in your mind  
Give me the peace and joy in your mind
