

Flat Foot Flewzy

Widespread Panic

Transcribed from NRBQ: "Stay With We: The Best Of" (1993) Whoooooooooo-weee! I'm so dog gone dirty

'Cause [I'm] a Flat Foot Flewzy

And I walk like a tweety bird

While I'm singing this bluesy I gotta gal named Lucy

But like to call her Lizzy

She calls her man Flewzy

And she keeps him real busy Well, I'm Flat Foot Flewzy, it's alright "Mr. Flewzy won't tell us bout your big flat feet"

Why sure, kinda helps me with the rock and roll beat

Come along with me and things'll be alright

Singing Flewzy woozy boogie on a Saturday night Well, I'm so dog gone dirty

'Cause [I'm] a Flat Foot Flewzy

And I can walk like a tweety birdy

While I'm singing real bluesy I gotta gal named Lucy

But like to call her Lizzy

She calls her man Flewzy

And she keeps him real busy Well, I'm Flat Foot Flewzy, it's alright "Well it's hard to believe that you walk like a bird"

Well I meant(?) what I said so I said what you heard

Come along with me and things'll be alright

Singing Flewzy woozy boogie on a Saturday night Yeah, Flat Foot Flewzy

Flat Foot Flewzy, alright

Flat Foot Flewzy, alright

Flat Foot Flewzy, alright

Flat Foot Flewzy, alright

Flat Foot Flewzy, alright

Alright

Flat Foot Flewzy, alright
