

# Like It's A Bad Thing

Gary Allan

They say, I drive a little fast  
Say, I like to push the limit  
Everyday I'm living like it was my last  
They say, I'm proud of my scars  
Each one tells a story  
Got guts and glory down to an art  
Say, I know what's like  
To see life pass right before my eyes  
Like it's a bad thing. I don't know about you but I was put here to live and love  
So, what if I don't do it like everybody else does  
I'm out on the edge, I'm too willing to risk  
Every bone, every breath, they say, all I am is a crazy dream  
Like it's a bad thing. So, my heart's been broke  
So, I keep on falling  
I'm nothing but all in when I let go  
I wear it on my sleeve  
Yeah, they call me a fool cause I still believe  
Like it's a bad thing. I don't know about you but I was put here to live and love  
So, what if I don't do it like everybody else does  
I'm out on the edge, I'm too willing to risk  
Every bone, every breath, they say, all I am is a crazy dream  
Like it's a bad thing.  
I don't know about you but I was put here to live and love  
So, what if I don't do it like everybody else does  
I'm out on the edge, I'm too willing to risk  
Every bone, every breath, they say, all I am is a crazy dream  
Like it's a bad thing.
