Happy Together

The Nylons

Imagine me and you, I do
I think about you day and night
It's only right to think about the girl you love
And hold her tight so happy together
If I should call you up, invest a dime
And you'd say, you belong to me, and ease my mind
Imagine how the world would be?
So very fine, so happy together
I can't see me loving nobody but you
For all my life
When you're with me, baby, the skies will be blue
For all my life
Me and you, and you and me
No matter how they toss the dice, it has to be
The only one for me is you and you for me
So happy together
If I should call you up, invest a dime
And you'd say, you belong to me, and ease my mind
Imagine how the world would be?
So very fine, so happy together
I can't see me loving nobody but you
For all my life
When you're with me, baby, the skies will be blue
For all my life
I can't see me loving nobody but you
For all my life
When you're with me, baby, the skies will be blue
For all my life, for all my life, yeah
Call you up, ease my mind, ease my mind
Ease my mind
I can't see me loving nobody but you
For all my life
When you're with me, baby, the skies will be blue
For all my life
I can't see me loving nobody but you
For all my life
When you're with me, baby, the skies will be blue
For all my life
So happy together

So happy together
So how is the weather?
So happy together
