Looking Back

Gary Moore

I was looking back to see If she was looking back to see If I was looking back at herI saw her walking down the street Though little does she look so sweet I followed her for half a mile I had to stop and talk a whileI was looking back to see If she was looking back to see If I was looking back at herShe had a yellow golden hair I'm gonna follow everywhere She had a wiggle when she walk I wanted her to stop and talkYou know that I was looking back to see If she was looking back to see If I was looking back at her YeahShe had a yellow golden hair I'm gonna follow everywhere She had a wiggle when she walk, yeah I wanted her to stop and talkYou know that I was looking back to see If she was looking back to see If I was looking back at herYou know that I was looking back to see If she was looking back to see If I was looking back at herYou know that I was looking back to see If she was looking back to see If I was looking back at her
