These Boots Are Made for Walkin'

Symarip

Are you ready boots?
Start walkin'
Let's go
Yee-haw
Come on
Let's go
You keep sayin' you got somethin' for me
Well officer, I don't mind to say you do
Now you're lookin' right where I thought you'd be lookin'
Legs come handy when law's in front of you
These boots are made for walkin'
That's just what they'll do
One of these days these boots
Are gonna walk all over you
You believe you stopped me for a reason
And I'm pretendin' my bendin's just for fun
You keep playin' where I got you playin', yeah
These double-d initials work to run
These boots are made for walkin'
That's just what they'll do
One of these days these boots
Are gonna walk all over you
I'm the girl with the good ol' boys
Don't mean you no harm
Just have my way with Hazzard County charm
There ain't a crime in havin' a little fun
Southern stride
I got my sexy eyes
Where my boots at? Ha ha
Strut yourself, come on!

Hey ya'll wanna come see somethin'?
Uh huh, uh huh, can't touch
Can I get a hand clap for the way I work my back?
Tick tock, all around the clock, drop it
Push ya tush like that
Can I get a sooey? Can I get a yee-haw?
You keep thinkin' what you shouldn't be thinkin'
Another two buttons down till you're kissin' ground

I'ma gonna send you back home baby cryin'
But Uncle Jessie he sure is gonna be proud
These boots are made for walkin'
That's just what they'll do
One of these days these boots
Are gonna walk all over you
These boots are made for walkin'
That's just what they'll do
One of these days these boots
Are gonna walk all over you
Come on boots! Start walkin'
Come on ladies! Hey ya'll wanna come see somethin'?
Uh huh, uh huh, can't touch
Can I get a hand clap for the way I work my back?
Tick tock all around the clock drop it
Push ya tush like that
Can I get a sooey? Can I get a yee-haw?
Come on Willie!
Ah yeah, ow!
Willie Nelson everybody!
Let's go home boys
