Odds and Ends

Jimmy Reed

I plan it all and I take my place
You break your promise all over the place
You promised to love me, but what do I see
Just you comin' and spillin' juice over me
Odds and ends, odds and ends
Lost time is not found againNow, you take your file and you bend my head
I never can remember anything that you said
You promised to love me, but what do I know
You're always spillin' juice on me like you got someplace to go
Odds and ends, odds and ends
Lost time is not found again
Now, I've had enough, my box is clean
You know what I'm sayin' and you know what I mean
From now on you'd best get on someone else
While you're doin' it, keep that juice to yourself
Odds and ends, odds and ends
Lost time is not found again
