

Bottle Of Jack (Achtabahn Remix)

Mikey Wax

She's like a fire burning up the debris
oh I need to loosen up my collar to breathe
And there's no window here to let in the breeze
but she can give me all the air that I needAnd she flies through the night
Yeah she'll keep burning till the break of dawn
Like a star in the sky

She lights the place up when she walks in the doorShe's got me spinnin round the room like a bottle of jack
Yeah she calls me just a friend but I know better than that
And she pulls just like a magnet and I keep coming back
But when the morning breaks through the night
She disappears out of sightWhen everybody's gettin ready to leave
oh we've only just begun to roll up our sleeves
Yeah I'm a prisoner and she is the queen
but she can go ahead and throw out the keysCause she flies through the night
Yeah she'll keep burning till the break of dawn
Like a star in the sky

All eyes are on her when she walks in the doorShe's got me spinnin round the room like a bottle of jack
Yeah she calls me just a friend but I know better than that
And she pulls just like a magnet and I keep coming back
But when the morning breaks through the night

She disappears out of sightShe's got me spinnin round the room like a bottle of jack
Yeah she calls me just a friend but I know better than that
And she pulls just like a magnet and I keep coming back

But when the morning breaks through the nightShe's got the rhythm and the moves and there's no hiding that
She spins me like a record but she won't leave a scratch
And she pulls just like a magnet and I keep coming back
But when the morning breaks through the night
She disappears out of sight
