

My Girl (feat. Sasha MaRi)

Wyclef Jean

Horns please
Ladies and gentlemen
Its the return of the carnival man
Yaaaa... I know
I shouldn't kept y'all waitin so long
I know you miss me
Well alright then, let's goMy girl, we've been through ups and downs
The queen of my heart, the one with the crownMy girl, when her clouds get grey she send me an emoji with a
smiley face
