

Won't Take No For an Answer

Cheap Trick

Hey, wait a minute, you're a little lost
Things keep on changing and so does the cost
Of doin' business with yourself
Don't want nobody else, no I won't take no for an answer
I won't take no from you
I won't take no for an answer
I won't take no, no, no, no Hey mister sister, leave me alone
Today kids don't grow up, they just grow old
Guess you know how bad I felt
When you were with somebody else I won't take no for an answer
I won't take no from you
I won't take no for an answer
I won't take no, no, no, no Hey, you
Hey, hey you I won't take no for an answer
I won't take no from you
I won't take no for an answer
I won't take no
I won't take no for an answer I won't take no for an answer
I won't take no for an answer
I won't take no for an answer
