

# Pure

## 3 Colours Red

When the one thing in your life comes crashing  
What you gonna do?  
When naivety was my energy  
Like power was you toolAnd you broke me down like diamonds  
Turned my blood to rust  
Abuser of an innocence  
Your real love was lust'Cause you had to be something  
Be someone and play, play, play, play games with heads  
Got the chill when you passed go  
You had me like a remote, all you wanted was control'Cause you had to be something  
Be someone and here are the terms on which you'll live  
I'll hate who I want, and I'll give when I giveAnd just because you're insecure  
Doesn't mean you couldn't be pure  
Doesn't mean you couldn't be pureOne lie for one lie  
And now I bet you're happy  
And you let it go so soon  
Always at the back of my mindYou had to be something  
Be someone and here are the terms on which you'll live  
I'll hate who I want, and I'll give when I giveAnd just because you're insecure  
Doesn't mean you couldn't be pure  
Doesn't mean you couldn't be pure  
Doesn't mean you couldn't be pure  
Doesn't mean you couldn't be pure
