See the Light

Elephant Stone

Know my heart and all that it's feeling
The pain of love and all that it's leaving
Oh, it's so hard to let's things goPushed through like a lamb to the slaughter
Trusted you but you couldn't be bothered
Oh, it's so hard should we let goAll of the night, all of the day
All of the pain in our eyes
All that is lost won't be erased
Feel as though there's nothing worth saving
So much is sacred but no one's forgiven
Oh, it's so hard to let's things goMuch is lost to the greed of the wealthy
Much is taken while their hearts are all empty
Oh, it's so hard should we let goAll of the night, all of the dayn All of the pain in our eyes
All that is lost won't be erasedOh, I hope I can see clearly
If I only leave my heart to guide me
To the place where I know should be
Oh, far from contradictions
So my life can fulfill its function
So that I can finally see the light
All of the night, all of the day
All of the pain in our eyes
All that is lost won't be erased
How can I make you see?
All of the night, all of the day
All of the pain in our eyes
All that is lost won't be erased
