

Ain't Going

Danity Kane

I know we got everybody waitin'
To see just how we do
I'm tellin' you we're goin' hot
Mix it up wit' some old school wit' a little new
We'll make you jump right outta' your seat
Make you lose your mind when you feel that beat
It's just begun
And we ain't goin' nowhere, goin' nowhere, oh

(Chorus)

Ooo, this ain't nothin' like you heard before
We're gonna have you wantin' more
Like it is when you're wit' your girl and ladies with your man
This is our chance to make you move
Ooo, be right there, right there

I know you feel it
And it's makin' you not wanna stop
You might as well lose yourself; let it go
Cause I'm just gonna keep givin' you what you want
This is not a game
Turn the music up and let it blaze on
And we ain't goin' nowhere, goin' nowhere

(Chorus x2)

Hold up we 'bout to make it official
Put your drinks in the air
And take it straight to the dancefloor
Lose yourself and let the music control ya
You owe yourself to let go
We've got everything you need, what you're lookin' for
You don't have to look no more

(Chorus)
