Wolf Like Me

Kellermensch

Say, say my playmate
Won't you lay hands on me?
Mirror, my melody
Transfer my tragedy
Got a curse, I cannot lift
Shines when the sunset shifts
When the moon is round and full
Gotta bust that box, gotta gut that fish
We could jet in a stolen car
But I bet we wouldn't get too far
Before the transformation takes
And blood lust tanks and crave gets slaked
My mind has changed
My body's frame but God I like it
My hearts aflame
My body's strained but God I like it
My mind has changed
My body's frame but God I like it
My hearts aflame
My body's strained but God I like it
Charge me your day rate
I'll turn you out in kind
When the moon is round and full
Gonna teach you tricks that'll blow your mongrel mind
Baby doll, I recognize
You're a hideous thing inside
If ever there were a lucky kind it's
You, you, you, you
I know it's strange another way
To get to know you
You'll never know unless we go
So let me show you
I know it's strange another way
To get to know you
We've got till noon here comes the moon
So let it show you, show you now
Dream me, oh, dreamer
Down to the floor
Open my hands and let them

Weave onto yours
Feel me, completer
Down to my core
Open my heart and let it
Bleed onto yours
Feeding on fever
Down on all fours
Show you what all
That howl is for
Hey, hey, my playmate
Let me lay waste to thee
Burned down their hanging trees
It's hot here, hot here, hot here, hot here
Got a curse we cannot lift
Shines when the sunshine shifts
There's a curse comes with a kiss
The bite that binds the gift that gives
Now that we got gone for good
Writhing under your riding hood
Tell your gra'ma and your mama too
It's true, true, true, true
