

Hang On to Yourself

David Bowie & The Spiders from Mars

Oh, she's a tongue twisting storm
Comes to the show tonight
Praying to the light machine
She wants my honey not my money
She's a funky-thigh collector
Laying on the 'lectric dream Come on, come on
We really got a good thing going
Come on, come on
If you think we're gonna make it
You better hang on to yourself
We can't dance, we don't talk much, we just ball and play
Then we move like tigers on Vaseline
Well, the bitter comes out better on a stolen guitar
You're the blessed, we're the Spiders From Mars Come on, come on
We really got a good thing going
Come on, come on
If you think we're gonna make it
You better hang on to yourself C'mon Come on, come on
Really got a good thing going
Come on, come on
If you think we're gonna make it
You better hang on to yourself
Come on, come on
We really got a good thing going
Come on, come on
If you think we're gonna make it
You better hang on to yourself
