

# Heart on Fire (Fast Version)

Jonathan Clay

I'm falling in  
I'm falling down  
I wanna begin but I don't know how  
To let you know how I'm feeling  
I'm high on hope, i'm reelingAnd I won't let you go  
Now you know  
I've been crazy for you all this time  
I've kept it close  
Always hopingWith a heart on fire  
A heart on fire  
with a heart on fire  
a heart on fireHand in hand  
Sparkling eyes  
The days are bright  
And so are the nights  
Cause when i'm with you I'm grinning  
Once i was screwed now i'm winningI won't let you go  
Now you know  
I've been crazy for you all this time  
I've kept it close  
Always hopingWith a heart on fire  
A heart on fire  
With a heart on fire  
A heart on fireI was shy, down, closed up  
You opened up the door.  
I don't know where you came from,  
but you woke me up and left me wanting more  
Everything about you,  
and everything you do.No I won't let you go  
Now you know  
I've been crazy for you all this time  
I've kept it close  
Always hopingWith a heart on fire  
A heart on fire  
With a heart on fire  
A heart on fire  
A heart on fire
