We'll Be Fine

Action Item

When you're left broken and bruised
Lost and confused
Long overdue
For a change
Running in place
Always the same
Start a new day where we say
Give a little bit, give a little more
Give a little more than you did before
We'll be fine
give a little bit, give a little more
Give a little more than you did before
We'll always be saving
We'll always be fucked
We'll always be waiting on some kind of luck
The sun's always shining
And ain't that enough
To take it as a sign
Oh we'll be fine
If you stop and look around
You will find out
Life's all about
A little peace, small victories
What you believe
And you can't be afraid to
Take a little bit, take a little more
Take a little more than you did before
We'll be fine
Take a little bit, take a little more
Take a little more than you did before
We'll be fine
We'll always be saving
We'll always be fucked
We'll always be waiting on some kind of luck
The sun's always shining and ain't that enough
To take it as a sign
Oh we'll be fine
Give a little bit, give a little more
Give a little bit, give a little more

Give a little bit, give a little more
We'll always be saving
We'll always be fucked
We'll always be waiting on some kind of luck
The sun's always shining and ain't that enough
To take it as a sign
Oh we'll be fine
