

# This Summer Session

## Four Year Strong

To save me would be a simple way of thanking me  
For one day of living  
That life that we're supposed to know  
A life that you would not let go  
And you're still slipping  
Come back to me  
Come back to all of these  
Boardwalk lights, stronger fights  
To hold me, to see the way I feel  
It's the last time that I'll let you hold me again  
I'm breaking away  
And I don't want to play your game  
You've fallen in my own walk of shame  
It's sinking... it's sinking away  
Stay away  
I want you but you're not what I can have  
Taken away  
To hold me, to see the way I feel  
It's the last time that I'll let you hold me again  
I'm breaking away  
And I don't want to play your game  
You've fallen in my own walk of shame  
It's sinking... it's sinking away  
You've got me on my knees  
Is that what you want to hear? (Is that what you want to hear?)  
You've got me, you've got me all wrong  
I'll wrong her, I'm never too much for you to handle  
We're dying again... I'm breaking away  
And I don't want to play your game  
You've fallen in my own walk of shame  
You're sinking... sinking away, yeah  
And I don't want to play your game  
You've fallen in my own walk of shame  
You're sinking... sinking away
